Goose Hunters, Inc.

The eight Goose Hunters of Mattamuskeet,
 Have returned from the land of the wild goose retreat.
 Would you learn of the dangers they did survive,
 Of wild geese and bourbon and oysters alive,
 Game-laws and rainstorms and mud to our knees,
 Horse-collars and mistletoe and pills and old cheese?
 Then come join with us in a "Goose Hunter" affair,
 We'll mix food and drink with stories quite rare.
