Oddfellows of Morgantown and Monongalia County:

We want to say to you that your wives, children and yourselves are always welcome at this store. Whether to look or to buy you'll be accorded courteous treatment

After all is it not our duty to tell your wives where to buy to the best advantage?

A store that makes a specialty of women's and children's clothes and footwear, also all kinds of dry goods, china, glassware, rugs etc. Just the things women usually buy.

What's more natural than for her to buy where she gets nice things at prices lower than most stores charge for trash. Think this over.
