MAP SUGGESTIONS

To Lay Out a Route—Ink in circles showing the location of towns to be covered, the most available route will immediately be seen.

To Show Division of Sales-Territory—Fill in these circles with ink of different color, red indicating Smith's territory; green, Jones' territory, etc.

Indicate sales-status of towns thus:

Red, towns having very active accounts.

Green, towns having active accounts.

Blue, towns having slow accounts.

Black, towns having no account, but which should have.

Good Railroad Service—(3 or more trains in each direction daily, also express trains), is indicated by heavy lines.

To compute time of travel, estimate as follows:

Local trains.....	25 miles
Express trains.....	30-35 miles
Local Interurbans.....	20 miles
Limited Interurbans.....	25 miles

The publishers request suggestions or criticisms from the traveling public. If any hotels mentioned in the hotel directory are not of the highest class in their respective localities, or do not adhere to rates quoted, kindly so inform us.
