CONDITIONS

ONE OR MORE HORSES may be named in any class FOR ONE PAYMENT, but on the final payment June 15th, nominator shall declare the name of the starter. Should the nominator who has named two or more horses in any particular class be undecided as to his final selection on June 15th, he may name extra horse or horses originally nominated in any other class or classes which they are eligible to on the payment of the full entry fee, June 15th.

All horses named on final payment will be permitted to start in any class to which they are eligible on date of closing. Should owner decide to start in any other class besides the one his horse is named in, he will be permitted to do so, provided full entrance fee is paid.

Horses winning one purse will be ineligible to start in any other class but the class or classes to which his winning race record makes him eligible. (This condition applies only to each respective meeting.)

National Association (of which we are members) Rules shall prevail. Horses with mile track records will be allowed four seconds providing same does not place them in classes slower than their half mile track records. Only winning race records constitute a bar.

Each and all of the Associations reserve the right to declare off at any time if classes fail to fill satisfactory. No change of programs unless classes fail to fill. Absolutely nothing deducted from money winners.

Purses divided as follows. \$600.00 to the first horse; \$250.00 to the second horse; \$100.00 to the third horse \$50.00 to the fourth horse.

In the event of a tie between two or more drivers, the prize award will be divided equally among them. The prize winners will be decided upon and paid the above amounts by the Treasurer of the Clarksburg Association immediately after the last race at Clarksburg, West Va.
