LIST OF MEMBERSHIP
of the
First
Methodist Episcopal Church
Morgantown, W. Va.

Total Membership March 15, 1923, 1368

To the Members and Friends of the First Methodist Episcopal Church, at Morgantown, West Virginia :

At a meeting of the official board, it was unanimously ordered that a revised list of all the members and contributing members of this church should be published in pamphlet form, giving the names of the members, the street addresses and the amount of subscriptions for this fiscal year. The object of the Board in making a complete list of the membership and contributing members is to identify each member and contributing member and their respective addresses, and in order that each member of the church will be enabled to know the membership in this church and also to realize the responsibility which is upon each member to make subscription at the beginning of each year, so that the Board may know that there will be no deficit.

The Board suggests that each family keep one of these booklets in order that all shall know who constitutes the membership of this church. If any errors are committed, either in the names or addresses, or if any name of any member or contributing member is omitted, you are respectfully requested to call 409 for the Secretary of the Board, at the M. E. Church, where she has her office, and all proper corrections will be made.

January 1st, 1923.
