Engineer.

J. W. SMITH,  
Conductor.

## Programme at Camden-on-Gauley.

---

Overture by Band at 11 A. M.

Address of Welcome by Rev. Dr. A. C. Blake,  
Editor Castle Park Enterprise.

Lunch, provided by Weston ladies, 12 M. Famous Salt Sulphur Water of Webster Springs on tap to aid digestion.

Excursion to Gauley Mills at 1 P. M., in charge of the Genl. Supt. of the Gauley Co., Mr. J. W. Bonner, where the greatest Band Saws in the State may be seen in operation. Twenty millions of feet of lumber in logs congregated in one boom.

Return to Camden-on-Gauley at 2:30 P. M.

Homeward Bound, 3 P. M.

---

Do not sleep on the train, but take advantage of the beautiful and picturesque mountain scenery unfolding to the vision enroute.

Look out for the numerous industries along the road, where the panther was but recently the monarch of the forest and the whip-poor-will revealed in undisturbed solitude.

---

MUSIC, BOATING, FISHING, HUNTING, BATHING.

S. W.
